

Session start times for the ROG Schools Programme

Listed below and on the pages that follow are the session start times for a *Discovery/Study/Space Spectacular Day* visit for each key stage (where appropriate), as well as a planetarium show only visit, to the ROG. When completing the online booking form, add your preferred session start time to the “**Session start time**” field. Should that time not be available, our bookings team will let you know and will provide alternatives.
